## OLIVIA LEEANN ROBINSON FUNDRAISER DINNER

### A LOCAL FAMILY NEEDS YOUR HELP...

Recently a local girl was hospitalized at Mary Bridge Children's Hospital with what the family soon found out was severe ketoacidosis caused by type 1 diabetes. After her stay in the PICU (Pediatric Intensive Care Unit) she was healthy enough to return home and the family is doing well now.

They have accepted the new disease and are adjusting their lifestyle accordingly but they are left with very costly, ongoing medical bills and facing financial ruin from this life long illness.

We need your help and what better way is there to help than getting something in return for your donation? That's where Amy's on the Bay comes in.

Half of Monday night's dinner proceeds will go to the Olivia L Robinson Fund. Come on down and enjoy a nice dinner with a beautiful view of Sinclair Inlet and good company. Hope to see you there!

10% of all proceeds will go to the Juvenile Diabetes Research Foundation Int. in hopes of finding a cure one day!

## Come have dinner and help out a family in need
